25X1A

MEMORANDUM FOR: Chief, EE Division

SUBJECT: Request for Information by EE/ADMIN in re Memorandum
 25X1A for DD/A, Subject, "Report Covering TDY [REDACTED]
 [REDACTED] from Assistant General Counsel,
 Dated 14 May 1953.

1. Reference is made to your memorandum of 4 June 1953 request-
 ing that each administrative problem referred to in my memorandum of
 14 May 1953 (Paragraph 9) be identified on a separate memorandum to
 the Chief, EE Division by no later than 10 June 1953. As related to
 the Administrative Officer, EE/ADMIN, on 4 June, the Chief of Admin-
 istration, DD/P, possesses this list of administrative items for appro-
 priate action and coordination. It is my understanding that [REDACTED] 25X1A
 [REDACTED] has been designated as the focal point for coordination.

25X1A

2. There is attached to this memorandum a separate sheet for each
 separate administrative item. Some items have received action, at
 least from a research standpoint, and I have therefore followed the
 following format: Topic, Discussion, and Action Indicated. The divi-
 sion "Action Indicated" is merely suggested inasmuch as other action
 or coordination will occur to you.

3. As agreed upon with the Administrative Officer, EE/ADMIN,
 this list is in addition to those items which have received specific
 comment in the referenced memorandum. Therefore, these latter items
 are therefore excluded and it is assumed will be considered independ-
 ently. As previously indicated, the items concerned herein are some-
 what narrow in their scope and may be resolved at an early date by
 local administrative action or coordination. If further information
 is desired, please advise.
